

Curriculum Vitae - Old

Jacob Alexander Smith

Personal Summary

I am currently undertaking a Cert III in IT online with the intention of getting an entry level IT position. I spent time doing unpaid work experience at Calamvale Community College in their school IT department. My most recent job was landscaping for Blue Fig Landscaping. I like to learn, particularly computer related subjects and would love to take my skills to the next level with a job in the industry.

Education

- Completed Secondary School Education at St Peters Lutheran College (Indooroopilly)
